## The perfect integration of desktop appliances in 10" and 19" server racks

Improve the agility of your IT infrastructure by the professional integration of investment-intensive appliances using the Rack Mount Kits from racknex.

UM-BAO-201 is the rackmount kit from racknex for the reliable integration of your valuable desktop appliances in the server rack.

Rackmount kits from racknex merge technical optimisation and a homogeneous design for many areas in 10-inch and 19-inch server racks in just a few rack units.

The device-friendly and space-saving installation of the appliances on the rackmount kit using a strap system increases the functional cycle of the investment-intensive appliances.

### Certified quality

The design of the rackmount kits ensures optimal ventilation of the desktop appliances thanks to the special air system.

When ordering in the online shop, the design and number of cables as well as the design of the plug connections can be selected individually.
