## The smart functionality of your IT infrastructure in server racks

**Improve the agility of your IT infrastructure by the professional integration of investment-intensive appliances using the Rack Mount Kits from racknex.**

**NM-SOP-216** is the rackmount kit from racknex for the reliable integration of your valuable desktop appliances in the server rack.

Rackmount kits from racknex merge technical optimisation and a homogeneous design for many areas in 10-inch and 19-inch server racks in just a few rack units.

The device-friendly and space-saving installation of the appliances on the rackmount kit using a strap system increases the functional cycle of the investment-intensive appliances.

### Certified quality

The design of the rackmount kits ensures optimal ventilation of the desktop appliances thanks to the special air system.

**When ordering in the online shop, the design and number of cables as well as the design of the plug connections can be selected individually.**
